UNITED STATES OF AMERICA,	)	PETITIONER'S MOTION FOR
	)	TELEPHONIC STATUS
Respondent	)	CONFERENCE

Comes now the Petitioner, Steven W. Pumper, pro se, and moves the Court to schedule a telephonic status conference regarding his pending 28 U.S.C. 2255 Motion and in support of his Motion he shows the Court that:

1. In early March, 2016, one year ago, Petitioner filed his Motion with exhibits under 28 U.S.C. 2255 setting forth facts and legal arguments alleging several incidents of the ineffectiveness of his counsel and the failure of the Respondent to abide by the Proffer Agreement even after Petitioner fully cooperated with the Respondent.

2. On or about March 9, 2016, the Court issued its Order (Doc. 31) requiring the Respondent to respond to all the Petitioner's allegations within thirty (30) days.

3. On or about March 23, 2016, the Respondent filed its response (Doc. 32) arguing that Petitioners Motion was time-barred. The Response did not address the substantive allegations of the Motion and requested an additional seven (7) days to file a Motion for Order findings Waiver of the Attorney – Client Privilege between Petitioner and his prior

counsel and also requesting an additional ninety (90) days, from the Order finding the Attorney-Client Privilege Waiver to address the "fact-specific" allegations of Petitioner's Motion.

4. On or about early April, 2016, Petitioner filed his Reply Brief to the Respondent opposing any time-barred dismissal and any enlargement of time requested by Respondent and requesting the Court set Petitioners Motion for an evidentiary hearing.

5. To Petitioner's knowledge no further action has taken place in this cause since he filed his Reply Brief.

6. To expedite the resolution of Petitioner's Motion and its "fact-specific" allegations, Petitioner requests the Court to schedule a telephonic status conference to set any future Briefing and Motion deadlines and to schedule the Motion for an evidentiary hearing.

7. Petitioner is currently incarcerated at Morgantown FCI in Morgantown, WV and a telephonic conference call may be scheduled through the office of Petitioner's Case Manager Mr. R. Weirich who can be reached at 304-296-4461, or Mrs. Little who is in charge of Communications for Morgantown FCI and can be reached at the same phone number.

8. For the Court's information, Petitioners has completed several courses of study to improve his education, interpersonal skills and to address his personal behaviors and decision making processes to better equip him to become a valuable contributing member of society. Specifically, he has recently graduated from the nine (9) month Residential Drug Alcohol Program in which he learned the skills to address and overcome his alcohol

abuse and misguided behaviors which contributed to his past problems. A full list of his programming and his RDAP Certificate are attached.

Wherefore, Petitioner requests his 28 U.S.C. 2255 Motion be scheduled for a telephonic status conference within thirty (30) days or as soon as convenient to the Court.
